

Private equity internship at Capvis Baar / Frankfurt

Capvis is a Swiss-based entrepreneurial mid-market investor writing success stories by creating global and regional leaders. We focus on know-how and technology driven companies in the fields of Industrial Technology, Advanced Services & Software and Healthcare in Europe. Together with our management teams we set our companies on an enhanced growth trajectory.

Since 1990, Capvis has concluded more than 60 transactions with an investment volume of more than EUR 3 billion. We have taken ten companies public and have repeatedly been voted the best investment company in Switzerland by the international trade press. With our team in Baar, Frankfurt, Jersey, and Shanghai we invest into companies valued between EUR 150-500+ million out of Fund V with EUR 1.2 billion in committed capital.

We offer a highly interesting internship position as fully-fledged member of the investment team.

Your role

- Supporting the investment team in the evaluation of investments and execution of transactions
- Independent research and responsible for workstreams during due diligence
- Support of portfolio companies and management teams
- Preparation of investor and company presentations

Required skills

- Exceptional academic background with top-ranked degree (min. Bachelor)
- First experience as intern in private equity, investment banking and/or strategy consulting
- Strong financial modelling skills and understanding of the relevant value drivers
- Excellent communication skills and interpersonal skills
- Entrepreneurial mindset and team player
- Fluent in English and German

What we offer

- Attractive compensation plus bonus
- Highly dynamic and collaborative team and team events
- Dynamic work environment including travel, workshops, and exposure to management teams
- Full involvement in the investment process from sourcing, due diligence, acquisition to exit

Timing

We offer various internships during the year. We have vacancies from February 2023 onwards. If you are interested, please send your expose to hr@capvis.com.

We are looking forward to hearing from you!
