CAPVIS FUNDS TO DIVEST HENNECKE GROUP, A GLOBAL LEADER IN THE DESIGN AND MANUFACTURE OF HIGH-PERFOMANCE POLYURETHANE (PUR) PROCESSING MACHINERY, TO BRÜCKNER GROUP

Baar (Switzerland), Siegsdorf (Germany) 12 December 2025

Hennecke Group ("Hennecke"), privately held by funds advised by Capvis AG ("Capvis"), has announced its acquisition by Brückner Group SE ("Brückner Group"). This transaction is subject to customary closing conditions. Terms of the transaction were not disclosed.

Hennecke is a successful global leader in the design and manufacture of high-performance polyurethane (PUR) processing machinery, offering a comprehensive portfolio of advanced equipment and digital production solutions, as well as pre-project engineering and a full range of aftermarket solutions. Hennecke serves more than 2,500 customers worldwide across a diverse range of end markets, including cold chain, transportation, building & insulation, bedding & furniture and household appliances. The company began production in 1945 at its headquarters in Sankt Augustin, Germany. It operates additional production facilities in Italy, the United States and China, supported by a global sales and service network serving more than 70 countries.

About Capvis

Capvis AG, Baar, Switzerland, is the exclusive adviser of the Capvis funds that primarily acquire majority stakes in leading medium-sized technological firms. Its activity is founded on its longstanding experience in creating local and global market leaders in the fields of healthcare, industrial technology, and advanced services & software from family or entrepreneurial owned companies. Close cooperation with strong management teams ensures that the potential of companies is developed to the full while creating long-term values. Capvis has a track record of more than 30 years in private equity and invested more than EUR 4 billion in 63 companies. The remarkable number of 10 IPOs documents the quality of the investments managed and developed by Capvis.
